Finance:

All payments for medical services are expected before or on the first appointment date for patients paying from their own pocket. You may either pay with a credit card, in cash (Euro, USD, etc.) or via bank transfer. Directions on where to make the money transfer are attached to this letter. During the treatment, care or recovery process, the final state of the bill will be checked within weekly intervals to verify if any extra payments are needed beyond the estimations given and the payments needed will be collected according to this verification. For patients holding international insurance, please contact your international coordinator to verify benefit eligibility and authorization for the visit when you receive this letter.

- Any balance or credit remaining on your account after departure will be refunded or credited back to the credit card number on your account.
- All deposits are based on estimations and we will be able to inform you of the final charges when the final bill is generated after the medical treatment completed.
- ALL FOREIGN EXCHANGE RATE WILL BE REFLECTED TO THE PRICES.
- The above referenced costs are ESTIMATIONS for the treatment listed above and are intended only as a guide to assist you in preplanning your visit.
- The actual final charges may vary from initial estimated amount.
- The hospitalization amount presented above is only based on stable basic treatment and daily rooming fees. Please note that the amounts related to the extra materials, medications or consultations that are going to take place during the hospitalization are not included to this amount.
- These cost estimations do not cover any price changes due to any complications.
- The above mentioned prices will be valid until 31.12.2023.
