(adjustments of tariffs reserved)

**The sum has to be paid by the patient, the amount paid by the health insurance has already been taken into account.**

- ✓ The tariffs listed are guideline values and are only valid for stationary admissions in the current year. The tariffs are valued annually.
- ✓ The total amount depends on the length of the stay and the effectively obtained therapies.
- ✓ Parts of these services may also be used during outpatient visits. The settlement takes place with the inpatient stay
- ✓ In case of non-presentation of the form E112/S2 the charge of € 1.208,- a day will be invoiced additionally
- ✓ For hospitalization you have to pay 100 % (cash, debit card-, or credit card – please note your individual card limit) of the estimated total amount in advance (please bring the payment confirmation to the inpatient admission).
