Following your email enquiry,

Bellow, you will find our bank accounts, at this point, we have to mention that, the policy of the payments is, that you have to pay every 10 days an advance of the next 10 days, that the patient is about to stay. That means that you have to pay 2.100,00€ in advance for the next 10 days of the hospitalization. At the end of the hospitalization, and in case that you will have paid more, then we return back to you the excess amount of money paid.

Furthermore, and as it concerns the days that Nicole is about to stay, the inevitable hospitalization time, is approximately, one to one and a half months.

Thank you very much in advance.

Yours sincerely,

For LYDIA ΑΠΟΚΑΤΑΣΤΑΣΙ S.A.
