- ✓ **The tariffs listed are guideline values and are only valid for stationary admissions in the current year. The tariffs are valued annually.**
- ✓ **The total amount depends on the length of the stay and the effectively obtained therapies.**
- ✓ **Parts of these services may also be used during outpatient visits. The settlement takes place with the inpatient stay**
- ✓ **In rare cases anesthesia can make it necessary to survey your child for a prolonged time after the procedure. This might result in an additional day on the ward and an increase of cost.**
- ✓ **For hospitalization you have to pay 100 % (cash, debit card-, or credit card – please note your individual card limit) of the estimated total amount in advance (please bring the payment confirmation to the inpatient admission).**
