**Cost estimation for private outpatient treatment
with Prof. Dürr on 02.11.2022 Med Orthopadic Oncology
only discussion without patient**

According to the contract governing your treatment at Klinikum der Universität München

- an advance payment for the treatment below
 an additional advance payment for the continuation of the outpatient treatment

is due at a value of **336,67 €**

preliminary calculation	description	quantity	per visit	sum
outpatient treatment		1	336,67 €	336,67 €
Material costs				0,00 €
medication				0,00 €
Risk surcharge ¹				0,00 €
total amount:				336,67 €

¹ The risk surcharge hedges unforeseen extra expenses.

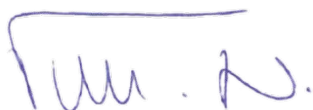

This calculation is a cost estimate only. The exact fee for the accommodation and treatment can only be determined after the completion of the hospitalization. Please note that the calculated total advanced payment has to be fully paid before any treatment can be initiated.

The amount can be deposited at the paying office at KUM or transferred to the bank account:

Bayerische Landesbank München, BLZ 700 500 00, account: 20040

IBAN: DE41 7005 0000 0000 0200 40

BIC: BYLADEMM

Yours Sincerely

International Patient Office
